Addendum No. 1 to RFP 16-02

Question: Can you clarify the \$25 fee paid to the City per tow now. Does it apply to all tows? Boots? Does the City set this fee? Does the City plan to raise it or have it remain the same throughout the term? Is it in addition to the maximum tow charge allowed or included within that \$90 max fee?

Answer: *The \$25 tow fee applies to all tows. We do not get a portion of the boot fee that is a separate fee. The \$25 is included in the \$90 fee.*

Question: Is the City requesting 20 tow trucks during emergencies (as it has historically) or 10 (as noted in the RFP)?

Answer: *The 10 is a typo. Replace all references to 10 tow trucks during declared emergencies with 20 tow trucks (Section "2.0 E. EMERGENCIES")*

Question: does the city have a preferred LPR technology provider?

Answer: *Genetec Technologies, Inc. (Note: this might change.)*
